Dear Business owner,

The Andover Apaches is a non-profit organization which has been in existence for the past 40 years. We provide the youths in our community an opportunity to participate in organized sports. This experience can benefit the participants in many ways, both on and off the playing field. The fees involved to operate our football program can prove to be very expensive, which is why we are asking for your assistance.

With the increasing bad economy, the Andover Football program is coming off its worst season (2008) in regards to corporate donations. Our families continue to struggle to make registration fees. While we know this is a difficult time for businesses also, we graciously ask that you consider making a donation to help defray the costs for uniforms, equipment, ref fees, insurance, and any other football related expenses involved with keeping our youth football program in operation and our registration fees at a reasonable level for all children with interest to play.

Please complete the attached donation form and forward to the mailing address listed above. **Send all correspondence to the attention of the football commissioner.** Remember all donations are tax deductible and no contribution is too small. We will mail to you a receipt which will include our tax identification number.

Thank you in advance for any donation your company is able to make. I thank you and our children thank you!

Sincerely,

Bill Matheny
