

The Course

Queenstown Harbor - The Lakes

Located just over the Chesapeake Bay Bridge in Queens Anne's County, is one of Maryland's premier golf destinations. Queenstown Harbor has consistently received the highest praise from those who have played its courses, not only for the challenging golf but for the exciting and original design by Lindsay Bruce Ervin that protected the natural beauty of the land.

The Lakes Golf Course has an 18-hole layout that meanders through natural landscapes and incredible vistas. Its views of pines and water are the hallmarks of this course. The Lakes course challenges every aspect of a golfer's game. Accuracy is needed to tame the peninsular green on Number 6, while the finishing hole, a bunker-laden dogleg, tests those who think they can carry the sand. www.qhgolf.com

BAYSIDE BLUES FASTPITCH SOFTBALL

The Bayside Blues Junior Olympic Fastpitch Softball Organization has established a reputation since 1992 for providing a highly competitive and fun atmosphere for girls serious in competing in fastpitch softball. Over the years, this program has produced many extremely talented athletes with over 100 girls advancing on to compete at the collegiate level with some form of scholarship. The opportunity for these young ladies to participate in the Bayside Blues program would not be possible without the help and support from the surrounding communities. The Bayside Blues is a non-profit (Tax ID #33-1079748), all volunteer organization and we need your support to make our 2010 season a success.

Visit our Website for Registration Information
