

Hello Volleyball Parents:

As some of you know, we run a small concession stand during the Home volleyball games. We have assigned 5 names to the table for each home game. The hope is that the Varsity parents will cover the Freshman/JV game time and the Freshman/JV parents will cover the Varsity time. If you can not do your assigned time, please let one of us know. Thank you for your help in this. The money earned goes towards Booster money for the banquet, end of the year gifts for the girls.
