

# BRHS bobcat baseball

*2009 10-6A District Champions*

**Dear Bobcat Baseball Supporter,**

As we start the 2009-2010 season, the players and coaches of the Boca Raton Community High School baseball team wish to thank our sponsors for the support given to us over the years. Our program is funded 100 percent by the Booster Club, which consists of the volunteer families of our talented players. Monies that are raised pay for a multitude of expenses, including pre-season conditioning, coaching, uniforms, equipment, field maintenance, umpires, and tournament expenses, none of which is provided by the Palm Beach County school district. Consequently, in addition to the numerous fundraising activities that we hold, it is necessary to reach into the corporate and private community to assist in defraying the costs of running a quality program.

Our baseball program is run by second year head coach Justin Timmerman who, in his first year, was recognized as 2009 All – Area Coach of the Year and All – Conference Coach of the Year after leading the team to the 10 –6A district championship in Palm Beach County.

Bobcat baseball, however, goes beyond the pursuit of a winning record. The program equally values skills that are important off the field. Baseball bobcats are required to maintain a minimum GPA that reflects Boca High's standard of academic excellence. Additionally, players understand that they represent, not only Boca Raton Community High School, but also the community that supports them and, as such, are held to a standard of behavior that elicits pride within that community.

Any assistance you or your company can provide with our fund-raising efforts is greatly appreciated. Thank you in advance for your continued support!

Sincerely,

A handwritten signature in cursive script that reads 'Cara Gallo Massey'.
