Affinity Membership Program

Beachwood Pine Beach Little League and **TD Bank** are pleased to announce a unique new sponsorship affinity program. As a local bank involved in its community, TD Bank has developed a special program to support local non-profit organizations with a yearly contribution. This contribution will be based on the deposits of registered supporters of our league, at no cost to their customers. When you enroll, your accounts are registered with TD Bank, which will track all of the balances of our supporters. Then once a year they will make a contribution to our organization. Easy and simple!

Important Points:

- * All bank information is completely confidential. BPBLL has no knowledge of ANY personal or banking information.
- * Any TD Bank Customer can register, not just parents. Businesses too! Aunts, uncles, grandparents and friends can all support our league, just register!
- * All families are **encouraged** to participate.
- * *If you are not a TD Bank customer, consider becoming one today and help support Beachwood Pine Beach Little League and earn \$25 for opening an account.*
- * Contact the Bayville branch manager, 732-269-6999, or BPBLL President Eric Diaz 732-505-1818. Complete the enclosed registration form and return it to the BPBLL or the TD Bank Bayville Branch!
