Merry Christmas

Christmas Time

This month we have taken some time off to spend time with our families for the holiday. We look forward to a new year and new goals accomplished. We have a very excited board of directors and the excitement is growing with every new member we get.

We have changed websites due to better quality and cheaper prices. Please see below for new address. We will probably see more changes on items in the future to help lower cost to the kids.

We are going for lower registration this year and are looking for sponsors to be able to support our cost so the kids and families do not have to take on this cost.

Our New Logo

We have a new logo thanks to the design work of Southwest Imprinting. We will be using this logo on all of our paperwork and items we will be selling. See it in top corner of this newsletter.

Fundraiser going on.....

We have started getting sponsors for our T-Shirts we will be handing out at each event. We are putting names of sponsors on the back of the shirt with their logos and contact info for \$200.00 on 100 shirts to be handed out to parents and kids at each function we go to and are involved in.

We are also doing our pizza fundraiser again starting in January to be finalized at the end of March and delivered in April. All not familiar with this fundraiser it is a great meal for families on the go and all the prices are extremely affordable.
