Happy New Year

A New Year, a New Face

This New Year has already been exciting for us. We had a great write up in the Monitor and are going to be put in a few more papers as articles. We have touched base with all the local radio stations and will have some air time from both over the next month.

We have started registration and it always starts out slow then you get hit with the late signers. We are pushing to have everyone be involved with registrations this year. We are setting up in GBC, Seven Points, and Kemp on every Saturday from 12 pm to 4 pm till the 21st of February. As always the closer the season comes the more sponsors we need to cover cost we have to raise another \$28,000 dollars to keep cost low, that is just a few more companies stepping up to help. Start knocking on doors and raise the money to lower cost to our kids this season.

Our New Number

We now have a new toll free number at (888)498-8333 for every one to call in and get information and request information.

Billy Warner Winfrey Sr.

As some know we have lost a new supporter and a good person from this world. Bill was a member of the Optimist club and Ernie and Matt saw him every Tuesday during the meetings. Bill was a local locksmith and did everything to help anyone. Bill was a major part of the development and success of the Optimist fields. We will use these fields this season due to the work done by Bill Winfrey and Matt ask that everyone please keep his family in your prayers and take a moment to thank God for bring men like the Optimist to do everything for us and help build a place for our children to play.

In Remembrance of Billy Winfrey Sr.

Umpires Needed

As every year we are in need of umpires to work our games. We are paying \$35.00 for behind the plate and \$30.00 for the field. Each Umpire needs to contact Ernie Lara at (903) 714-8107 or elara@vzw.blackberry.net Each Umpire will be requested to register with Little League International. With registration you get rulebooks, patch, rule changes and newsletters, and our official photo id badge. Cost is \$35.00 an umpire to register.
