

Corpus Christi HitSquad 12 & Under
<http://www.leaguelineup.com/CCHitSquad>

The HitSquad 12 & Under team is a girl's fast-pitch softball team entering their 2008 season representing the Corpus Christi area in competitive softball. There is no doubt that many of these young ladies will one day attend college on softball scholarships. All have previously played tournament ball at the highest level. Our goal is to provide the opportunity for these players to develop their skills and compete at the highest level.

Several of the girls on this team are a member of the T-Ball National Championship team that won 1st place in Louisiana in 2003; runner up champions in Pony Sectional and Regional tournaments in 2004, runner-up champions in an all boys baseball league, and were the 8U 2005 ASA state champions. We also have several girls that have represented Gregory Portland in their respective All-star teams. In 2005, over 64 teams competed in this tournament alone and we represented Corpus Christi by bringing home the 8U 1st place trophy. In 2006, this team placed 7th in the 10U ASA state tournament and placed 3rd in the ASA Regional tournament.

This season, our team will be going to the 2008 12U ASA State Tournament and will travel to Killeen, Texas.

Our team is seeking assistance in the form of donations to offset expenses in our journey to compete in these tournaments. This team will be having several fundraisers including, barbecues, car washes, raffles, etc. Our expenses include uniforms, equipment, entry fees, association fees and travel expenses. It is projected that the cost to run our team for the 2008 season will be approximately \$2,500.

Any donation of \$50, \$75, \$100, \$250, \$500 or more will be appreciated. All sponsors will get their corporate name placed on the team website. Donors may deduct contributions to the extent that their contributions are gifts, with no consideration received in accordance with the requirements outlined in the IRS Code. Please make your checks payable to the "Corpus Christi HitSquad" and mail to the address below.

Thank you for your support and if you have any questions please do not hesitate to contact me.
