## 2009 High School Catching Camp

Our Catching Camp is specifically designed to help players improve their individual skills and prepare them for their upcoming baseball season. The drill work and one-on-one instruction we offer have made Wildcat Baseball Camps an incredible success and we are dedicated to continuing this instructional excellence again this year. Coach Ellis has assembled an extremely knowledgeable staff to work closely with each player and teach him the proper techniques to succeed in baseball. This staff will provide a terrific learning environment along with an opportunity for each camper to improve his baseball talents.

This two day event will be held in Nutter Field House, UK's nationally renowned and state-of-the-art indoor training facility. We look forward to seeing you there!
