ADDITIONAL INFORMATION ABOUT NORTH HILLS BASEBALL PROGRAM

- **Family Discount:** If you are registering two or more players from the same family, you can deduct \$5 from the registration fee for the 2nd and subsequent registrations. Complete a separate registration form for each family member and note on the front of the registration form that the Family Discount applies. Remember, the full registration fee applies to the first family member registered.
- **Payment of Fees:** Check or money order should be made payable to North Hills Baseball. Payment of the full registration fee is expected at time of registration.
- **Boys and girls can participate.** This is a recreational baseball only league (no softball or fast pitch softball is sponsored). For youngsters aged 5-7 a T-Ball option is offered. All other youngsters will play baseball. For youngsters aged 8 and 9 modified rules will apply. For youngsters age 10 and above, regular baseball is played (the only change is the distances between bases and the pitchers mound vary based on age).
- **For baseball, anticipate that practices will start in late March or early April.** The season will begin in late April (about April 25th) and will be completed by July 4th. Games will be played on Saturdays and during the week (approximately 12/15 games). Anticipate a time commitment of 3 times per week. Games will be played in College Hill, North College Hill, Finneytown, Greenhills, Forest Park and Colerain Township (Olympian Club) and other neighboring communities. Games could be played on any day of the week. While a recreational program, players are expected to attend practices and games. You will be expected to provide transportation to and from games and practices for your son or daughter.
- **Please remember the baseball registration form must be completed with the registration fee paid. Please register by the registration deadline (MARCH 3, 2012). THIS IS REALLY IMPORTANT.** We need time to form teams, schedule games with the other local communities, and get practices started. You should be contacted by the manager of your team by early April.
- The league provides bats, balls, and uniforms. A player need only provide a glove (special shoes/rubber spikes are not necessary/ a regular pair of gym shoes is just fine). The uniform consists of a hat, shirt and pants. The player can keep the hat and shirt but must return the pants to the Manager at the end of the season.
- The registration entitles the player to a voucher that can be exchanged for a free ticket to a Cincinnati Reds Game on dates to be determined. Your Team Manager will coordinate this and will provide all necessary information.
- If you want your child to play on a team coached by a particular coach or with another child, please indicate this on the registration form. We will try to honor requests but can not guarantee this.
- T-Ball is for children with birthdays between 5-1-2005 and 4-30-2007. The registration fee is \$30 and the fee should be paid at the time of registration. T-ball is played with a modified hardball. The league provides bats, balls, and uniforms. A player need only provide a glove (special shoes/rubber spikes are not necessary/ a regular pair of gym shoes is just fine). T-Ball is played with teams from Finneytown and surrounding areas. There will be one practice per week and typically 1-2 games per week.
- T-Ball Teams will be formed in April (but we need registrations in by March 3rd so that we can form teams, schedule games, find managers and schedule practices and the like). The season will conclude prior to July 4th.
- If your child is too young for T-Ball, we suggest you contact the local YMCA - they sometimes have leagues for younger players.
- The T-Ball uniform consists of a hat, shirt and pants. The player can keep the hat and shirt but must return the pants to the Manager at the end of the season.
- Don't forget the registration entitles the player to a voucher that can be exchanged for a free ticket to a Cincinnati Reds Game on dates to be determined. Your Team Manager will coordinate this and will provide all necessary information
