The Copperas Cove Crusaders appreciate any support you, your business or your organization can provide. Sponsorship monies are necessary to offset the cost of facilities rental fees, uniforms, equipment, tournament fees, scholarships and general operating expenses for the entire organization. Each coach or mentor work as a volunteer; and each participant is charged a participation fee to participate on the programs. We may have kids who will need monetary assistance by the way of a "Scholarship" to participate. It is our desire that every kid who has the potential to reach the "Next Level" should be afforded the opportunity to participate in our program. You can assist us in accomplishing this objective.
