Dear Community Member;

Cowlitz County Pop Warner football and cheerleading is a non-profit youth organization that offers tackle football and cheerleading for the youth of Cowlitz County from the age of 5-13. Cowlitz County Pop Warner is in our first year as an organization and is proud to be a member of this community. We are part of a larger national organization founded in 1929.

We feel that providing children with a structured team environment helps to make our community a better place to live in the long run. Children participating in our organization are required to maintain a minimum 2.0 grade point average. They are taught the values of hard work, team work, and individual responsibility. We have rules in our organization that require every player to play every game.

In our community we have many disadvantaged children; we would like to provide them with the opportunity to participate. As a new organization our funding is limited and there is a large amount of gear that is required to outfit each participant. We are conducting registrations right now.

We are currently offering an opportunity for community sponsors to sponsor individual players. Our individual sponsors will receive a certificate of appreciation as well as listing on our website acknowledging your commitment to the community. Without your support we will not be able to offer this opportunity to the children who need it most.

If you can provide the entire cost for one or more individuals that would be greatly appreciated, however, we will also gladly accept sponsors who are able to give less than the full amount for one child. We will provide you with a receipt and our tax identification number when we receive your submission
