SPORTSassist and You...

"SPORTSassist can offer a variety of services and use of these services will result in a marketing fee being paid to the Edinburgh Diamond Devils. Need a mortgage quote? Use SPORTSassist! Your help is requested and appreciated!"

**Nick Clark
Devils G.M.**

"We believe our providers to be top quality providers in their fields of expertise – with competitive fees. For example our mortgage and insurance providers are entirely independent and will search the market for you to obtain the most competitive mortgage or insurance product available. In some cases this may save SPORTSassist clients significant sums of money. All our professional providers will grant a free first interview with anyone needing assistance. If work goes ahead thereafter be sure to ask for a quotation. We want SPORTSassist users to benefit from top quality service at competitive prices. We will not settle for anything less."
