From West –

Follow the M8 to the Hermiston Junction and turn on to the city by-pass (A720) heading towards Berwick-upon-Tweed via the Edinburgh North signs. This equates to a right turn at the junction.

Follow the A720 all the way round to the Old Craighall junction. Go under this junction and join the Musselburgh by-pass (A1) again heading for Berwick. Again a 'right turn'.

Follow the A1 to the second Tranent junction and turn off to reach a roundabout via the A198. On approaching this junction on the A1 you will see a pyramid-shaped hill and golf centre on your left. Follow the 'Sports Centre' signposts on the A198 to another roundabout and turn first left on to the B1361. Follow this road until you see a turn off on the left signposted for the Sports Centre and Battle Site. Follow the signs and the sports centre is at the end of this road.

From East –

Follow the A1 from Berwick to the Tranent junction and turn off to reach a roundabout on the right hand side of the A1 via the A198. Follow the 'Sports Centre' signposts on the A198 to another roundabout and turn first left on to the B1361. Follow this road until you see a turn off on the left signposted for the Sports Centre and Battle Site. Follow the signs and the sports centre is at the end of this road.

Ample parking is provided next to the centre. The baseball field is located on the other side of the artificial hockey pitch.
