

2010 DPLL Registration Information

DPLL, P.O. Box 8245, Goleta, CA 93118

Hi and welcome back to Dos Pueblos Little League Baseball! While new players need to register in person, returning players are asked to register by mail or via the internet. If the information you provide on the forms is incomplete and/or writing can't be read, all forms will be returned and the registration process delayed. In other words, **PLEASE PRINT CLEARLY**. Return these four items to the address above:

- 1) Registration Form
- 2) Volunteer Form
- 3) Tryout Form (Not required for Tee or Challenger)
- 4) **Two** checks made payable to DPLL - **Please issue a separate check for the \$100.00 volunteer form**

Payment Information: Players may attend Tryouts and be drafted onto teams, but may not participate in team practices or games until their fees are paid. DPLL offers \$20 discounts for the 2nd and/or 3rd sibling. Additional siblings play for free. The \$100 volunteer fee applies once to each family, *not to each player in the family*, and will be refunded upon confirmation that the volunteer activity has been completed. Please note players registering after February 2nd will be charged a \$20 late fee. **The registration fee includes a baseball hat and DPLL jersey.**

4 or more players: same as 3-player combinations. No fees for additional players.	

Get a sponsor and Play for Free: Families who acquire a DPLL Team or League Sponsor may arrange to have a player's entire registration fee returned. Employers, doctors, dentists and businesses of any kind are eligible to become sponsors. Refer to the Sponsor-Scholarship Program or contact the Registrar listed below.

Girsh Park Family Donations: The Foundation for Girsh Park owns and operates not only Elings Fields, the four baseball diamonds that DPLL calls home, but the entire Park. Please keep in mind that Girsh Park is a private and not a public park. When the Foundation is in financial difficulty, as they are currently, it not only affects us directly, but all those individuals and groups that use and enjoy this incredible recreational space. DPLL would therefore like to do its small part by donating \$25 in the name of each DPLL family. This will either renew your family's membership in **Friends of Girsh Park** or initiate your family's membership. The foundation will then be allowed to use the names of the Dos Pueblos Little League and our families in their funding efforts. They will also provide each family with further information about the park and **Friends of Girsh Park**. You may check a box on the Registration Form if you **do not want** DPLL to make this donation in your family's name. Regardless of your decision, your registration fees will not be affected. The DPLL Board of Directors strongly recommends that you allow us to make this \$25 donation. Thank you.
