

DeWitt Travel Basketball

2009/2010 Information and Tryout Dates

The DeWitt Travel Basketball Association promotes interest for competitive basketball and develops basketball knowledge, skills, and sportsmanship, including the discipline necessary to participate and excel in a team and community environment; to develop skilled, experienced and knowledgeable student athletes for the DeWitt Junior High and DeWitt High School.

It is our hope to organize up to three teams per grade level for **fifth through eighth** grades. The season for all grades except **seventh and eighth boys** will begin with tryouts listed below. Games start the first weekend in December and conclude in late February. The **Seventh and eighth grade boys** season will begin following the school basketball season. The cost is \$120.00 per player. Although we attempt to place as many players as possible, this is a competitive program and cuts will sometimes have to be made.
