

# Dunking Frogs Foundation

The Dunking Frogs Foundation is a California 501(c)(3) non-profit corporation. Our primary objective is to effectively navigate student-athletes and their families through the complex and political arena of college basketball recruitment. In addition, the Dunking Frogs Foundation markets and promotes student-athletes to college coaches as well as connects college coaches with student-athletes based on the needs of their program.

The Dunking Frogs Foundation has historically implemented our objectives as a backline support infrastructure to frontline grassroots basketball programs. This strategy has afforded the Foundation a unique opportunity to anonymously impact hundreds of young people in many communities throughout Southern California. Our financial support and human resources have assisted 26 student-athletes to receive basketball scholarships from NCAA Division 1 institutions over the past 5 years.
