DUTIES OF STATE DIRECTORS

State Directors shall enforce the rules and regulations, as well as those policies issued by Texas Teenage Baseball-Softball. Such enforcement shall be by virtue of, and through the authority given each Director by the State President. It shall be the State Director's duty to preside over all Association matters within the area for which he/she is duly appointed and elected, and said Director's decisions shall take precedence over any other person, affiliate, manager, coach, league official, tournament director (whether he be in a district or state tournament), or member of the Association, so long as said decisions are related to the rules, regulations and/or policies of the Association.

State Directors shall be the highest ruling authority in their respective areas, subject only to the President and/or Vice-President of the Association. At any time a State Director sees or knows of a violation of the rules, regulations, or policies of the Association, he shall immediately take the necessary steps to correct same, with all the power and authority given him/her herein.

All actions, decision, and rulings of State Directors shall be in the best interest of TTAB-TTAS

State Directors are expected to be impartial toward any affiliate or team and, therefore, may not be directly involved with any team, including coaching or managing. State Directors may not participate in any TTA game or act as a tournament director.

ASSOCIATE DIRECTORS

State Directors may appoint Associate Directors who can oversee a specific region of a Director's district. The Associate Director can be of general service to local affiliates, but shall take no official action regarding TTA rules and policies.

OFFICIAL REGULATIONS

DEFINITIONS:

For clarity, TTA defines the following terms:

Association: A term to mean the entire TTA organization.

Affiliate: Meaning a town or group of towns that make up the local affiliation.

Divisions: Means the age categories, such as T-Ball, Midget, Freshman, etc.

Leagues: Refers to sub-parts of Divisions, such as American, National, East, West, etc.

A. ORGANIZATION

1. All affiliate rules and bylaws should be in writing and issued to all managers and coaches.
2. The local affiliate shall be the smallest unit of the organization and shall be affiliated with the TTA State Office each year.
3. The affiliate shall be governed by a Board of Directors, Committee, or Association with elected officers serving as voluntary operating personnel, including a President who is the highest ruling authority of the affiliate.
4. The Board of Directors, Committee, or Association may organize and operate one or more leagues in any and all divisions of TTAB and TTAS. Each league, so organized, shall be considered a separate and independent organization within itself.
5. A League must consist of at least four (4) teams and no more than ten (10) teams, except by special permission of the State Director serving the affiliate requesting the waiver. Each league shall participate in assigned TTA District and State Tournaments. For exception, refer to Tournament Rule 200-6c and 200-13c.
6. Any affiliate registering a fictitious team for the purpose of forming a league can be subject to a penalty of up to a one year suspension from TTA participation.
7. A league or leagues may be organized in a town, city, community, or county. In locations where it is warranted, a larger territory may be organized, subject to approval of the local State Director.

8. Participation of girls in the TTAB Program will be permitted if properly submitted on the Official TTAB Team Roster form by local affiliates. No exceptions or deviations to official rules and regulations will be permitted as a result of their participation.
9. Participation of boys in TTAS will be permitted only in the T-Ball Division where a maximum of two boys on each team is allowed if properly submitted on the Official Team Roster).
10. Boys shall not be chosen as pickup players in TTAS Girls T-Ball or any other TTAS team.
11. TTA will require that each affiliate establish boundary lines in harmony with adjoining affiliates. These boundary lines will be required to be in writing and distributed to all affected areas in your district and a copy sent to your area State Director. TTA feels the defined boundary line should be the local affiliate's responsibility and agreed upon prior to drafting or forming teams. Give top priority to avoid any attempt to "stack teams". The Independent School District boundary line concept is a common choice, but may not apply to every affiliate.
- 11a. Our recommended guideline to each affiliate is that player that live only with their mother, father, legal guardian or grandparents during June and July should be allowed to participate with the nearest TTA affiliate.
- 11b. Any boundary line controversy that cannot be resolved locally should be submitted to the State Director and provide complete details.
- 11c. All boundary line protests must be settled before TTA District or State Tournaments. No TTA tournament shall allow protests over boundary line issues.
- 11d. A player must play in the designated boundary line area of which he/she lives or attends school as long as a team of league is offered in the player's age division. If a team or league is not offered, the player may play in the next closest TTA affiliate that offers the age division. This applies to any league of which the player could play according to his/her age category.

- 11e. If a player registers with an affiliate in the boundary line where he/she lives or attends school before the deadline for registration ends and that affiliate is full and does not have a place on any team in the affiliate, then that player may play in the town or adjacent boundary area that is most near where he/she lives. If the player registers after the deadline in the boundary area of residency, the player is ineligible to play elsewhere.
- 11f. In the event that a new affiliation to TTA contains players who are a part of a team in a nearby affiliate, such players are allowed to remain on the current team through the duration of the TTA Division the player is so registered.
- 11g. A player choosing to play in a boundary line area where he/she attends school but outside the area where he/she lives, must remain in this chosen area as long as they play in the current TTA age division.
- 11h. In High School Eligible Leagues, teams may select from any location in Texas, except in an area that has a defined boundary line established.

B. LEAGUE SCHEDULE

- 1. Playing a minimum of ten (10) official league games per team shall constitute a completed league schedule. Exception to rule: Any TTA team that is required to travel in excess of 75 miles one-way to participate with another team in their league will be required to play only an eight (8) game schedule.
- 2. The beginning of league play will be at the discretion of local affiliates.
- 3. All TTAB (Baseball) league play will terminate as follows:
The 2006 Season on July 1. The 2007 Season on June 30.
All TTAS (Softball) league play will terminate as follows:
The 2006 Season on June 24. The 2007 Season June 23.
Midnight of the above dates is considered the official end.
- 4. The official league schedule shall be prepared no later than one (1) week before the start of the regular season play.
- 5. The schedule shall be arranged so that no team will be required to play on successive days except for a makeup or rainout game.
- 6. A Calendar Week is defined as Sunday through Saturday.

C. POSTPONED, RAIN-OUT, AND SUSPENDED GAMES

1. No regular scheduled games may be postponed without the approval of the Local Affiliate President.
2. It shall be the responsibility of the Local Affiliate President to see that all postponed games, rain-out or makeup games, and suspended games are rescheduled and played at the earliest possible date. All such games must be played during the regular season of play and before the end of the Official League Season.
 - (a) A postponed and/or makeup game is defined as one that is rescheduled to be played in its entirety at a later date.
 - (b) A rainout game (if less than the required complete innings have been played) is defined as one that is rescheduled as a makeup game.
 - (c) A suspended game is defined as one that is rescheduled to be continued in play from the exact point of suspension (after the required complete innings with the score tied) of the original game. Refer to Official Baseball Rule 4.12.
3. Any league that has not finished its season by the official end of the TTA season and determined its champions shall not be eligible to participate in tournament play.

D. LEAGUE CHAMPIONS

1. Local league champions shall be determined by the method adopted by the local affiliate officials and the top two teams will advance to tournament play.
2. The method used may vary according to local situations. The method used should be determined before the local league season begins.
3. All TTA rules shall apply relating to pitching rules and no pitcher shall exceed the total number of innings allowed for league play, or pitch on successive days or double headers.
4. Each League's first and second place teams (or replacement or alternate teams) are required to participate in its assigned tournament. Penalty for non-participation can be up to a one year suspension from TTA for that particular league and/or manager.

An exception to this penalty is a written notice to the State Office advising that a league in your organization will not be able to participate in tournament play. An acceptable reason for non-participation is required. This must be received prior to the Tournament Allocations Meeting held in May (see Calendar of Events).

E. SELECTION OF PLAYERS

1. The selection of players for teams will be accomplished in compliance with a Player Selections System as adopted by local affiliate officials.
2. No team shall be allowed to protect more than a maximum of 3 protected players as long as those players remain on the roster in that age division. Returning players (that were not protected are not considered protected players.)
3. For specific rules for selection of players in TTAB (Baseball) and TTAS (Softball) refer to the General Rules for TTAB (Page 18) and TTAS (Page 40) in this rulebook.

F. PLAYER AGREEMENTS

1. All players and their parents (or guardians) shall be required to sign a player agreement prior to participating in any TTA activity, agreeing to abide by all TTA rules and regulations and, in addition, all local affiliate rules and regulations. The player agreement must include a statement releasing the local league affiliate and its officers, all sponsors, and the TTA State Organization from any and all liability associated with any injuries sustained as a result of any TTA activity.
2. Each player (parent or guardian) must provide the local league organization an official (copy thereof) "vital statistics" birth certificate or official military dependant I.D. as documented proof of the correct date of birth.
3. Players thus signed will be considered the property of the team who signed them for the age eligible division, unless properly traded or released.
4. Players participating in TTA will be eligible to play on only one TTA team in one league in one season. This excludes players on High School Eligible Boys and Girls Teams.

5. Players must participate in at least one half of the regular season games, unless for medical reasons.
6. Players not registered on an Official Team Roster submitted to the State Office by the First League Game shall be ineligible to participate in TTA tournaments. Proof of delivery of rosters will be considered in cases of failure in receipt at the State Office. It is highly recommended that each team insure proper delivery by Certified Mail or by the use of on-line email before the deadline.

G. PLAYER TRADES AND RELEASES

1. Managers will be permitted to release and sign players and to make trades **WITHIN THEIR OWN LEAGUES ONLY**, providing it is done in the best interest of their teams, the players and the League in general. Violation of the above regulation will result in an illegal player. The Local Affiliate President must approve all player trades and must be fair and just trades for the purpose of helping both teams and players involved. No trades shall be permitted for the purpose of “stacking” a team with good players to the disadvantage of other teams. **NO PLAYER TRADES SHALL BE PERMITTED AFTER THE BEGINNING OF THE LOCAL LEAGUE SEASON.**
2. No additions to a team, by signing on new players, shall be permitted after the Official Team Roster is filed. There shall be no exceptions to this regulation under any circumstances, including local league rules.

H. ILLEGAL PLAYERS AND PENALTY

1. Players may be declared illegal for the following reasons:
 - (a) Moved or traded after start of season or roster filed.
 - (b) Misrepresentation of playing age.
 - (c) Participation on more than one TTAB/TTAS team during league play. (Exception: High School Boys and Girls Eligible Divisions, where approved).
 - (d) A maximum age player who is signed to a TTA team after eight other maximum age players are already signed.

- (e) Not officially registered with a league to be a player.
- (f) Players who reside or attend school in a defined affiliate boundary area and play outside that defined area when a TTA program is offered in his/her age division.

PENALTY: All games in which an illegal player participated shall be forfeited.

2. It shall be the responsibility of the Manager of each team to make sure that he/she does not sign or play an illegal player during the season or in tournament play. Penalty for this violation can be up to a two-year suspension of the Manager from participating in TTAB/TTAS activity.
3. In the event a Manager or Assistant Manager believes or knows of an opposing team playing an illegal player, he/she may make a protest, which must be submitted in writing to the Local Affiliate President within twenty-four (24) hours of the termination of the game in question. If the protest is allowed, the game will be declared forfeited to the offended team. Any game played in which both Managers have lodged an official protest, and both protests have been allowed, the game in question will be thrown out. The game will not be replayed, but will be recorded as a loss of one game each of the teams in the final standings.
4. In the event local affiliate officials or State Directors discover an illegal player, manager, or team (according to TTAB/TTAS rules and regulations) all games in which player, manager or team participated, shall be forfeited.
5. Any coach playing a player under an assumed name or with an illegal birth certificate: player and coach will be removed from the game at the time the illegal player is identified. Penalty: Player will be removed from Tournament play. Coach will receive a five (5) year suspension from TTA and player will be suspended for two (2) years.

I. PROTESTS AND DISPUTES

1. All protests and disputes arising during the regular season of League Play shall be settled on a local level. The President of each affiliate shall name a Protest Committee for that purpose and the Committee's ruling shall be considered final.
2. A protest, which may arise from interpretation of playing rules, will be made by notifying the Umpire-In-Chief and the manager of the opposing team, at the time of occurrence and before the next legal pitch, that the game is being played under protest; then submitting the protest in writing to the local affiliate President within twenty-four (24) hours after the game in question.
3. An Affiliate President who manages and/or coaches a team in TTAB/TTAS cannot serve or rule on a protest committee in his/her age division.

J. UMPIRES FOR LEAGUE PLAY

1. An official umpire is one that is approved and appointed by the Local Affiliate.
2. Local TTA organizations should select the most qualified umpires possible with at least one umpire for each league game and at least two for TTA tournament games. TTA encourages the use of Certified TTA Umpires.
3. A State Director shall not umpire or manage in any game. A Tournament Director shall not umpire in any game.

K. SCOREKEEPERS

The Affiliate will furnish a competent scorekeeper and statistician for each game to record and keep an accurate record of: at bats, errors, extra base hits, strikeouts, walks, innings pitched, bases on balls, and stolen bases.

L. QUALIFYING LEAGUES FOR TOURNAMENT PLAY

1. In order for a league championship team to be eligible to participate in Texas Teen-Age Tournament play, it is mandatory that the following qualifying steps be taken:

- (a) Register and become a member of the State Association by May 1st of each year. Applications for Affiliation must be postmarked on or before midnight, May 1st.

M. SCORING RULES

To achieve uniformity in keeping the records of league and championship games, the scorekeepers must conform to the Official Scoring Rules as carried in the Official Baseball Guide and Record Book and the ASA Official Guide.

N. LIABILITY INSURANCE

Beginning in the 2007 Season, all affiliates of the Texas Teenage Association are required to maintain medical insurance on participants in TTA play. Proof of medical insurance coverage must be included with each application by supplying to the State Office a copy of the Declarations Page of the Liability Insurance Coverage.

10-5. CHARGED CONFERENCES

- (a) Each team when on defense, may be granted not more than three charged conferences during a regulation game, without penalty, to permit a coach or his representative to confer with a defensive player or players. - (b) In any extra inning game, each team shall be permitted one charged conference each inning while on defense without penalty. The number of charged conferences permitted is not cumulative.

5. If none are out when replaced, the pitcher will not receive credit for pitching in the inning that he is replaced.

7. Innings pitched is not computed if the game is called prior to becoming an official game.
8. Pitcher is not considered a pitcher until throwing the first pitch.

10B-6 RE-ENTRY RULES FOR TTAB:

1. Any of the starting players may be substituted and re-entered once, provided players occupy the same batting positions whenever in the lineup. The starting player and the substitute may not be in the lineup at the same time. If a manager removes a substitute from the game and re-enters the same substitute later in the game, this is considered an illegal re-entry. Penalty: Player & Manager removed from game.
2. Violation of re-entry rule is handled as a protest when brought to the attention of the umpire by the offended team and may be made at anytime during the game. (The protest need not be made prior to the next pitch).
3. Once a pitcher is removed from the line-up as a pitcher (by a pinch hitter or position change) he cannot return to the mound as a pitcher in that game. Re-entry does not apply to the courtesy runner provision in 10-13.

PENALTY: If an illegal pitcher returns to the pitching position and has thrown one pitch, it is a forfeit. This is not considered a reentry violation so the manager is not ejected.

10B-7 TTAB TEAM ROSTER: An Official Team shall consist of nine (9) players. You must have nine players to start a game and nine players to finish a game. (Exception: The Short Handed Rule). Penalty is forfeit of the game. Applicable to District and State Tournaments only.

- (d) A ten-foot semicircle shall be marked, utilizing the forward point of home plate as the center point of circle to determine a legal fair ball when hit from batting tee.
- (e) A six-foot (diameter) circle shall be marked for pitcher's fielding position. The center of this circle shall be a point where a line from first base to third base crosses a line from back point of home plate to second base. A pitcher's rubber shall be placed at this point and pitcher must be stationary with one foot in contact with pitcher's plate after ball is placed on tee. PENALTY: Continued violation may result in the pitcher's removal from the game.

Just a Little Boy

He stands at the plate with heart pounding fast,
The bases are loaded, The die has been cast.
Mom and Dad can not help him, He stands all alone
A hit at this moment would send the team home.
The ball meets the plate, He swings and misses.
There's a groan from the crowd,
With some boos and some hisses.
A thoughtless voice cries, "Strike out the bum"
Tears fill his eyes, The game is no longer FUN.

So open your heart and give him a break,
For it's in moments like this, A man you can make.
Keep this in mind when you hear someone forget:

HE'S JUST A LITTLE BOY,
HE IS NOT A MAN YET

- (f) Pick-up players should be chosen on a rotating basis accordingly: first place team gets first choice; second place team, second choice, and so forth, until all pickup players are chosen. Any player refusing to play for a team when chosen in the selection process is ineligible to play for any team. Penalty for non-participation can be up to a one-year suspension from TTAB/TTAS for that particular league and/or manager. This must be received prior to the Tournament Allocation Meeting each year.
