MANAGER'S MISSION STATEMENT

As the Manager within the EEWW Organization, my focus will be to ensure that players develop and refine their baseball skills, play fair, work hard, build teamwork, have fun, and most importantly, learn to respect teammates, coaches, opponents, officials (and their decisions), and the game of baseball.

CODE OF ETHICS: As the Manager, I understand that I must abide by the following behavioral standards to remain in good standing.

- I will emphasize respect, teamwork, fun, and attempt to build a love for the game within my players.
- I will not be openly critical of any players on my team, opposing teams, officials, or other coaches.
- I will attempt to teach my players to work hard to win, but not to win at all costs.
- I will respect other coaches within our system and work with them to ensure maximum benefit to the players.
- I will treat all players fairly and with respect, including essentially equal opportunity to participate in all phases of the game.
- I will be reasonable when scheduling games and practices, and remember that young athletes have other interests, responsibilities, and obligations.
- I agree that a child's participation in baseball is a privilege and parents may feel it appropriate to limit their child's participation if responsibilities such as participation in family matters or attention to school work are deemed more important. I will support my players' parents in these parental decisions.
- I will respond to and be aware of all players' safety and their needs.
- I fully understand that our system is designed to serve the needs of the players first, and not to serve the coaches and/or parents.
- I understand that inappropriate behavior on my part may lead to my team receiving unfavorable ratings in a national reporting system and that may preclude my team from participating in future events.

CODE OF CONDUCT: As the Manager, I recognize that coaches are role models for their team members and all participants involved in the activity, and that sports help to develop a sense of teamwork, self-worth, and sportsmanship. As such, I agree to abide by the following:

- Encourage my team members to play by the league rules and respect the rights of other players, coaches, fans and officials.
- I will be organized and prepared for all practices and games to maximize and optimize all scheduled practice time.
- Be responsible for my own behavior and also the behavior of my team members, their parents, and fans.
- Conduct myself and ensure that my assistant coaches, players, spectators and supporters conduct themselves in a manner that is consistent with good sportsmanship - before, during and after every game.
- Make every effort to improve my knowledge of coaching techniques so that I can teach the sport properly to my players.
- Keep my players and their parents informed about the rules, schedules, and other league-related information.
- Ensure that my players are supervised by myself or another designated adult and never allow my players to be left unattended or unsupervised at a game or practice.
- Ensure that all equipment used by my players is safe and conforms to the rules of the game. I shall not allow illegal or unsafe equipment to be used.
- Never knowingly permit an injured player to play or return to the game without proper medical approval.
- Refrain from using alcoholic beverages, illegal substances, or tobacco while in direct supervision of my players.
