

# GRANITE STATE BASEBALL SCHOOL

Dear Friends,

I hope this finds everyone doing well as the summer is coming to a close and another year of school has begun!

Some of you may know me as a resident of Exeter and from my many years of coaching in the EJBL. Some of you might also know me from my 21 years as the head baseball coach at Southern NH University and others may also know I've owned and operated the highly successful Granite State Baseball School for the past 18 years. I've enjoyed my time with all of these groups and programs and I'm now looking forward to offering more of my services to the local community.

Along with operating my baseball camps and clinics, I'm expanding my personal baseball instruction business. I'm now offering personal instruction right here in the local area, for all ages and in all areas of the game. You can tell me what you'd like help with and I will provide the instruction in your choice(s) of concentration. I can provide instruction for individuals, semi-private/small groups of 2-5 players, or team/large groups of 6 or more.

I realize you already have some choices when it comes to getting personal instruction. I'd like to offer you the opportunity to get excellent baseball instruction at a reasonable rate, without having to travel outside of your local area. For more information or to get started right away, please contact me at 603-770-7505 or [brucejoyce14@gmail.com](mailto:brucejoyce14@gmail.com).

Thanks...I look forward to helping you improve your game!

Yours in Baseball,

Bruce Joyce
