

Welcome to the Orlando Sports Center (OSC) and our first event of the 2009 Volleyball Season the Florida Power League. The Orlando Sports Center is under new management and in order to improve your experience at our facility we would like to advise you of some new procedures and some continuing restrictions during your visit to the facility. Please advise your players and parents of the following:

- The parking curbs painted yellow outside the OSC main entrance are designated Fire Lanes and marked as no parking by the Orlando Fire Department. If cars are illegally parked they are subject to a citation and/or towing at the owners expense. Please do not park in the Fire Lanes.
- Food and Drinks are not allowed inside the facility (except drinks for the players). The restaurant will be open for every event and will have a wide selection of items for players, family and friends. Coolers are not allowed in the facility or around the building on the walkways. **If you bring a cooler please leave it in your vehicle as we need to maintain clear walkways around the building for emergency access. As always Tailgating out of your vehicles is welcome and encouraged.**
- This year OSC will be charging an admission fee to enter events held in the facility. The admission fee for this event is \$5 with children 9 and under admitted free of charge. The fee is good for the entire day.

We are striving to make the OSC the premiere sports complex in the southeast and welcome any comments on what can be done to improve your experience. Please enjoy your visit and if you have any comments or concerns you can speak to our manager at the front desk or email your comments to [info@orlandosportscenter.com](mailto:info@orlandosportscenter.com).

Thank you,

OVA/OSC
