

Lost and Found

FNYB has a lost and found located at each snack bar. If you have misplaced a glove, jacket, sunglasses etc. please come and claim your items. If these are not claimed immediately they will be donated.

FOR ALL TEAM MANAGERS, COACHES, BUSINESS MANAGERS PARENTS.....

PARKING PROBLEM-

DO NOT PARK in the handicapped parking spaces or the red zones at either Brier or Glanker Schools. These are painted blue and require a special plate or sticker in car, and painted red for fire. If you are parked there the police will be called and your vehicle will be ticketed. Please be courteous to others.

~~Thank you to all the Managers, Coaches, Parents, Players who came out on Sunday April 17th and worked on Walter's and Brier fields. We were able to accomplish a lot and our fields are really looking great. Parent participation is important to both your children and to the league. The managers and coaches spend a lot of their time coaching your children with sometimes never a thank you. By participating in league activities (such as field maintenance) it is a way for the parents to give back and say thank you to their child's manager and coach. Remember we all are volunteers and sometimes could use a break and a thank you~~.
