## Clyde's Corner

FNYB opened March 20, 2004 with the traditional first pitch, but this year was a little different. In honor of one of FNYB founders Raymond McKinney, who passed in February of this year, it was only fitting that the first pitch be thrown out by his son David McKinney and caught by his grandson, Major Division Diamondback Michael McKinney. A moment of silence was observed and a field was dedicated in his memory. Raymond McKinney will always be remembered and appreciated in our hearts for his hard work and dedication to the youth of Fremont.

### MOMENTUM

" Every action we take affects others. Enthusiasm is contagious and its momentum is a powerful element of success. Be a positive influence, then stand back and watch the ripple your attitude can make."

FNYB President
