DEAR ADVERTISER ,

Since 1957, Fremont National Youth Baseball has been serving the community through our baseball program. During the past 52 years we have taught baseball skills, teamwork, self-confidence and good sportsmanship to over 20,000 children. Our program is based on the principle that all children should have the opportunity to participate in a team sports, regardless of their ability, and at the end of a season look back, and reflect on the wonderful learning experience they took home with them.

Our league fields teams from the age of 5 to 16. We have five age divisions and we have had many children in our league for their entire baseball career. In order to continue to serve the community and to help shape the minds and bodies of our players, we need your help.

This year will continue our sponsor/advertising program that gives you direct feedback of your advertising dollar. We are providing a colorful banner to display at the fields that will not only include your company name but also your phone number. These fields are located at Brier Elementary and Walters Junior High. Parents who attend our league games will be able to contact you quickly and most important, easily.

The children, parents, managers, coaches and board of directors would like to thank you in advance for your support. We would like to extend an invitation to come view some of our games this year. You will see some great games and better yet, some great young athletes. Have a great 2009!

The various sponsor programs this year are:
