

GCHA Team Evaluation

This form is to be completed by the parents and players of the GCHA. In the heading of each section it will designate who should complete that section. Please provide one numerical rating to each line item. There is also extra space at the end of each section for additional comments. When you have completed the form you can e-mailed it back to GCHOCKEY2007@aol.com, if you require a printed copy, these can be returned in the locked coaching evaluation drop box on the wall to the right of the bathroom facilities in the ice arena.

VERY IMPORTANT: There is a section at the bottom of the form if you wish to be heard but also want to remain anonymous in your evaluation; this evaluation will be made available to the entire coaching staff to review. Please provide your child's name at the end of the form so we will know which family completed the form. If you wish to remain anonymous to the coaching staff then answer yes to the last question and the section will be removed before it is provided to the coaching staff to review. Failure to answer the last question or an answer of no will mean that you do not mind/care if the coaching staff sees who completed the form.
