

Minutes of the Glendora High School Pep Boosters

June 1, 2009

Welcome & Introductions – Denise Brown

- Meeting began at 6:45 pm
- Denise introduced herself and the Executive Board.
- Denise explained the difference between the Pep Club and the Pep Boosters. The Pep Club consists of Erin Deal, Jerri Silva and the different squads. Erin and Jerri are in charge of them. The Pep Boosters are the parents who are in charge of fundraising.
- Chain of Command – if you have an issue, please contact the coach and/or the advisors.
- Please remember that the GHS Pep Boosters e-mail account goes to Elise Langdon and not Erin Deal. If you wish to speak to Erin, please use her e-mail address which is Edeal@glendora.k12.ca.us.
- We have a new theme this year....."It Takes a Pep Village". Please think about 60 Pep Club members and not 1 for the year.
- There was a collection box passed around for the Carter family children who lost their father. There is also a fundraiser at the Whole Enchilada on June 3rd. Please attend if you can.
- Handouts: Pep Club Roster, Executive Board List and the Monthly Tasks List.
- Denise asked everyone to go around the room and introduce themselves.

Ways & Means Report – Patty Hurt & Terry Vukovich

- Our first Irwindale Speedway night is June 6th. JV & Frosh will be in Kitchen B beginning at 4:30 pm. Dress code is black pants or capri's and closed toed shoes. Each pep member must bring one parent.
- The Graduation Water Sale is June 10th. Each pep member must be there along with one parent. The only exception are siblings of graduating seniors and those on Honor Guard. Everyone must bring 2 cases of water. One needs to be chilled on ice with the other still wrapped up. Girls should wear their try-out outfit. If you are not attending, please e-mail Miss Deal.

- The car wash will take place June 20th. It is mandatory that the pep member and one parent be present. Bring a bucket and 1 drying cloth. It will be at American Tire on Grand Avenue. Each member must sell 20 tickets or donate \$120.00.
- Reminder – bring in toner and ink cartridges to booster meetings for recycling.
- E-script – please register your cards.
- Scratcher cards are still available as an optional fundraiser for anyone who wants to participate. Each card is worth \$250 and the cards cost \$5.00. Pay Alex tonight for any cards you take.
- Souvenirs – we need someone to volunteer to organize our souvenirs.
- Townopoly – this is a new proposed fundraiser this year. We would sell advertising for businesses to be on the board and then sell the board games. The theme would be the Town of Glendora.
- Christmas Wreaths – a proposed new fundraiser this year. The cost to the club is \$9.00 per wreath and we could sell them for \$20 to \$25 each.
- Sharp/USA Competition – we are on the waiting list for hosting a Sharp or USA competition.

Pep Club Report – Erin Deal & Jerri Silva

- Camp will be at UCLA on July 16th – 19th. If a girl has summer school, she will need to miss one day. That is the only absence she will be allowed so plan for it. All camp fees are non-refundable so any girl that must back out now will not receive a refund.
- Erin and Jerri's e-mail address is on the Pep Club Roster. Erin checks her e-mail often throughout the day.
- Squad meetings with coaches, advisors and members will take place after school lets out. The purpose is to go over the code of conduct and expectations for the year.
- If there is a problem, please go to the coach. If it cannot be resolved, contact Erin Deal. If you are still unhappy, you can contact Mike LeDuc. Please do not bother the District Office. They will only transfer the issue back to Mike LeDuc.
- Discipline and Drama – lets keep this to a minimum. If she finds a member acting inappropriately, it is grounds for discipline, up to and including removal.
- Please watch what you are saying about another child or parent. If you have a problem, see Erin or Jerri.
- Grades – Erin has access to Edline for grades. Each member must retain a 2.0 GPA in order to remain on the squad. If you don't make grades 1st quarter, you will not be able to compete.
- There will be a Captain Parent meeting for all squads. Details will be coming soon.
- There are no busses for camp. We will carpool to camp.

- Squad representatives will be elected soon.
