This marks the 22nd year of the Tartan Summer Basketball Camp. Campers can expect to learn fundamentals of Offense, Defense, Ball-handling and Team Play. We are pleased that every year our current players help staff the camp as counselors. Whether your child is just learning the game or a pro prospect in training, we encourage all levels of talent to participate. We make sure to meet your player at their current level of play. We know that by the end of the week your son or daughter will have improved in their understanding of the game. Through daily routine the campers come away with an increased knowledge of the game.
