

Grapevine Youth Baseball Booster Club

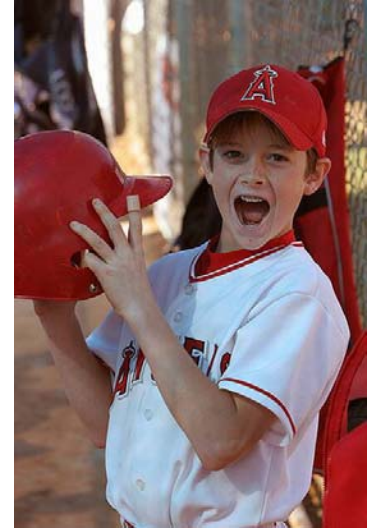

www.gyb.org

Baseball has been played at Oak Grove Park in Grapevine since the early seventies. Grapevine Youth Baseball (GYB) continues to provide a quality baseball program to boys and girls in our community ages 3-18.

It is through the support of our community and their generous sponsorships and donations, that we can PLAY BALL every fall and spring.

Being a GYB Booster Club Member is all about supporting the kids! This is the perfect way for small businesses, friends and family members to get involved and support the league!

Grapevine Youth Baseball is a 501(c)(3) Corporation – your donations are tax deductible.
