

Greater Watertown Pop Warner League

2010

Football Season Proposals

Proposal #1: To organize into a Div. II & Div. III League (A Given Proposal No Matter What National Divisions They Allow GWPWL to Play)

- A. Div. II to be organized with the 6 to 7 Stronger Associations.
- B. Div. III to be organized with the 6 to 7 Weaker Associations.
 - i. Both Divisions will be established based on its highest existing div. of plays recent seasons records.
 - ii. Both Divisions are proposed in order to allow for better/stronger competition between Teams on game day.

Proposal #2: To organize ALL Associations into establishing Tiny Mites; Jr. PeeWee; & Jr. Midgets.

	Ages	Certification Weight	End of Season Max.
A. Tiny Mites:	5-6-7	35-75 lbs.	84 lbs.
B. Jr. PeeWee	8-9-10	60-105 lbs.	114 lbs
(older/lighter)	11	60-85 lbs.	94 lbs.
C. Jr. Midget	10-11-12	85-135 lbs.	144 lbs.
(older/lighter)	13	85-115 lbs.	124 lbs.

- i. Both Divisions will have 1 Non-Competitive Div.
- ii. Both Divisions will have 2 Competitive Div.
- iii. This allows Both Competitive Div. to Play Full Varsity High School Rules at a Competitive Level of play in the Pop Warner "S4 – Tackle Age /Weight Schematic Rule.
- iv. The Allows Both Comp. Div. in Division II to compete as far as the Teams can take themselves up to the and winning the National PW Championships in Florida in December each year.

Proposal #3: To organize All Associations into establishing Tiny Mites; Jr. PeeWee; & PeeWee

	Ages	Certification Weight	End of Season Max.
D. Tiny Mites:	5-6-7	35-75 lbs.	84 lbs.
E. Jr. PeeWee	8-9-10	60-105 lbs.	114 lbs
(older/lighter)	11	60-85 lbs.	94 lbs.
F. PeeWee	9-10-11	75-120 lbs.	129 lbs.
(older/lighter)	12	75-100 lbs.	109 lbs.

- v. Both Divisions will have 1 Non-Competitive Div.
- vi. Both Divisions will have 2 Competitive Div.
- vii. This allows Both Competitive Div. to Play Full Varsity High School Rules at a Competitive Level of play in the Pop Warner "S4 – Tackle Age /Weight Schematic Rule.
- viii. The Allows Both Comp. Div. in Division II to compete as far as the Teams can take themselves up to the and winning the National PW Championships in Florida in December each year.

Proposal #4: To organize All Associations into establishing Tiny Mites. As well as Keeping Mitey Mites & PeeWee in Play

	Ages	Certification Weight	End of Season Max.
A. Tiny Mites:	5-6-7	35-75 lbs.	84 lbs.
B. Mitey Mites	7-8-9	45-90 lbs.	99 lbs
C. PeeWee	9-10-11	75-120 lbs.	129 lbs.
(older/lighter)	12	75-100 lbs.	109 lbs.

- i. Both Divisions will have 2 Non-Competitive Div.
- ii. Both Divisions will have 1 Competitive Div.
- iii. This allows ONE Competitive Div. to Play Full Varsity High School Rules at a Competitive Level of play in the Pop Warner "S4 – Tackle Age /Weight Schematic Rule.

- iv. This keeps TWO Non-Competitive Div. to Play Non-Competitive Football for strictly FUN & LEARNING. No CLOCK & No SCORE needed or necessary for these two Div. of play.
- v. This Allows ONE Comp. Div. in Division II to compete as far as the Teams can take themselves up to the and winning the National PW Championships in Florida in December each year.

******* Proposals 2 thru 4 will be voted on at February 2010 GWPW League Meeting. This is in order to get us to the one Proposal the majority believe is the best for all Associations within the GWPW League. All suggestions to make a given Proposal Better are Always Welcome.

******* All Proposals are proposed for the Sole Purpose of giving all our Athletes & Associations a Better/Stronger chance of Competing at the highest & most consistent level of competition on weekly bases. No Team or Athlete learns the fundamentals of football by Slaughtering a Team ever week or being Slaughtered every week.

Proposed 11/30/09 GED
