REPORT TO TRAILER ON STREET NEAR FESTIVAL PARK (BY THE GRAND VIC CASINO BOAT) ASK FOR MICHELLE HANSEN

The City of Elgin has given us the opportunity to help them again this year and make another great impression of St. Edward High School and the Football Program. Last year they were VERY thankful for our efforts, being the only school to respond to their request for help. Our boys did a great job with duties such as delivering water and ice to locations around the park, disposing of trash, giving direcitons, monitoring the trolly stops and playing games with the youth kids and leading events. I know we'll leave the same great impression this year!
