5 & 6-Year-Old Instructional Football

NON-Padded, FUN, Introduction to the Great Sport of Football

Run by Coach Ro & the St. Edward High School Football Staff

With the great response to our youth camp and desire to get kids exposed to the sport of football in a safe and fun environment, we have decided to start an instructional organization around 5 & 6 year-olds. This level will NOT play in competitive games or wear pads, but will be taught the fundamentals in a fun, camp-style environment with the goal of leaving the kids informed about football, and wanting to play again the next year.
