

## Concession Stand Information

- The stand is run completely by volunteers. No one is paid. The stand could not run without volunteer help! That's why you need to show up, and to be there for the entire shift. It is a major inconvenience when volunteers do not show up.
- Shifts last approximately 3 hours, or until we close. This includes about 15 minutes of clean-up after the windows close. We stay open until the games are over. Sometimes this is less than 3 hours, sometimes a little longer. No one should be left there alone at any time.
- If you know you cannot make your shift, it is your responsibility to either send someone in your place or trade for another shift. Try trading with someone on your team, or with someone scheduled for the same week as your shift (check the website for a list, or contact Christina Songer at [Christina@pacificepress.com](mailto:Christina@pacificepress.com))
- Reliable teenagers who have been approved by the Concessions Manager can work your shift for you. You must discuss this with Christina ahead of time.
- Concession sign-ups are handled online. The calendar is always available (linked from the GVSLL website) to help you remember your commitment.
- Please remember that if you do not show up to work, there is no one there to do it. We count on the scheduled people to be there. There is no one there full-time to run it if volunteers do not show. We don't want your \$100 deposit, we want YOU!
- For safety and health reasons young children cannot be in the stand with you while you work.
- If you are truly unable to make your shift due to an emergency, PLEASE let us know ASAP:
