

HAMPTON ATHLETIC ASSOCIATION

2008 SOFTBALL RESCHEDULING

U10 THROUGH U18 TEAMS PLAYING IN GPGSL

If your original home game must be rescheduled because the HAA has closed the field you were scheduled for, or because of weather, you must adhere to the following procedures to reschedule your game. All rescheduling must be done through Eric Marsonек, who has the entire master schedule of fields for the HAA.

After contacting the GPGSL umpire and opposing manager, email Eric at GEIGER@connecttime.net with your team name and the field time you had originally. His cell phone number is 412-951-5327, but he monitors his email most frequently. He will give you two (2) time slots to reschedule with. For fastpitch teams, Monday-Thursday slots may not be possible. You have these time slots for 24 hours. If he does not hear back from you in that time, taking one of the two, they are returned to the open field times available for all to use for rescheduling. Once you confirm the time slot with Eric, confirm the date and time with your opposing manager and reschedule the GPGSL umpire.

An alternative is to check with the opposing team manager and reschedule on their field—even if you are the “home” team. They may have more flexibility to reschedule. In any event, you are responsible for notifying the GPGSL umpire of the new date and time.

U8 (COACH-PITCH) TEAMS

If your original game must be rescheduled because the HAA has closed the field you were scheduled for, or because of weather, you must adhere to the following procedures to reschedule your game. “Home” team managers are responsible for rescheduling weather-postponed games. You are not obligated to reschedule since there are no league standings.

All rescheduling must be done through Phil Conti, who has master schedule for the coach-pitch leagues. His email address is contip@comcast.net, and his phone number is 412-951-6488. Phil will assign you a new time slot. You are responsible for notifying the opposing manager.

U6 (T-BALL) TEAMS

If your original game must be cancelled because of weather, count your lucky stars. If you feel obligated to reschedule the game, you must adhere to the following procedures. “Home” team managers are responsible for rescheduling weather-postponed games.

All rescheduling must be done through Joe Gall, who has master schedule for T-ball. His email address is joseph.gall@convertteam.com, and his phone number is 724-444-8747. Joe will assign you a new time slot. You are responsible for notifying the opposing manager.
