**THANK YOU FOR YOUR SUPPORT!!**

The ***North High Athletic Boosters Club*** is a non-profit organization whose primary mission is to boost and create interest in athletics and related activities within the North Hagerstown community area, and to cooperate and assist in the development and promotion of the entire program of athletics at North Hagerstown High School. The North High Athletic Boosters has been around for many years but became a non-profit organization in 2002.

Our major responsibility is to retire the current Mike Callas Stadium debt of which the boosters incurred by building Mike Callas Stadium in 2006. The current outstanding balance owed to the county is \$300,000. You may donate money or purchase bricks & stadium seats to help us retire this debt.

Furthermore, the boosters purchase all the uniforms for every sport at North Hagerstown High School on a 4-year rotational basis spending approximately \$14,000 each year! In order to accomplish our goals, we depend on the support of our athletes' parents.

The boosters sponsor the annual spring sports banquet by underwriting the majority of the cost associated with the banquet.

**The athletic Boosters are also responsible for providing concession volunteers for all home athletic contests except varsity football games.**

***If you have an athlete at North Hagerstown High School, it is expected that you become a member of our Club and/or support our various volunteer and fundraising activities.*** Regardless if you become a member or not if you have a son or daughter in athletics at North Hagerstown High School you may be asked to volunteer your time in the stadium concession. Furthermore, you may be asked to volunteer in the concession even if your son or daughter doesn't play a sport in the stadium.
