

Q: Where will the Community Center be built?

A: There are a number of sites large enough to hold a Community Center at this time. Once the money is raised, it will be determined based on the sites that are still available to be purchased.

Q: Will it impact our town taxes?

A: No, the Community Center should be self sustaining. This is based on research of other town community centers.

Q: Where will the money come from to build the Community Center?

A: From fund raising, corporate sponsorship, grants, and issuing bonds.

Q: Where will the money come from to run the programs and maintain the Community Center?

A: From the fees charged for the programs and corporate advertising.

Q: What other programs will be held at the Community Center that are not mentioned in the petition?

A: If enough people show an interest, any program can be run. The programs mentioned in the petition are only some that the Community Center can start with.

Q: I love the idea, how can I help?

A: You can help in various ways.

- 1) Sign the petition now.
- 2) Send the petition link to your friends.
- 3) See our "find out how you can help link on our site.
