

IRMO ICE HOCKEY FEDERATION

Dear Local Business Leader:

We are excited about starting the 2009 Ice Hockey season. We have approximately 100 children, ages 4 to 16 and their families involved in our program this year. Children who participate in the league experience and learn teamwork, leadership, self-discipline, good sportsmanship, citizenship and build self-esteem through the hockey program.

Irmo Ice Hockey Federation is calling on you, the local business leader to show support for the youth of our fine community. It is no secret that organized youth sports bring communities and people together. Your support is appreciated and very important to our continued existence. IIFH and other businesses in the area, like yours, remain committed to the youth of the community. With your help we will be able to continue to purchase jerseys, socks, equipment as well as offset some of the indirect costs critical to the operation of a successful program.

We warmly welcome your contribution and would like to invite you and your family to join us at our games during the season. You will find the entire event a wholesome family experience, full of fun and excitement for all.

Thank you for your anticipated cooperation and consideration in making the IIFH 2009 season a success.
