The Kaneland Youth Football League, in its 3rd year, has over 150 participants ages 5-12. The organization was formed to give our local youth the opportunity to learn valuable skills and lessons in sportsmanship and teamwork through the sport of football and cheerleading, while also supporting and promoting the football program in our school district. As a member of the Northern Illinois Football Conference, Kaneland youth compete against teams from the surrounding communities.

Your generous support will help us offset our season expenses and purchase equipment for our teams. Your donation is greatly appreciated and will be acknowledged at our activities and events. In order to provide patronage to your business, each of our athletes will receive a KYFL T-shirt with all the names of sponsors that are eligible on the back of the shirt.
