

Re: Thank God for his Blessings

Dear Parents and Kingson Royals Supporters:

We are in the final weeks and days of our second Spring Baseball Season as an independently run Christian “Faith-based” Sports Ministry. By the grace and blessings of God, KRYAM was formed in the summer of 2004. We founders were filled with optimism and excitement for the upcoming Spring Baseball Season in 2005. None of us could have anticipated the obstacles and challenges we would face and had to endure that year as an organization, as teams, and individually. In retrospect, the leadership of KRYAM can now see very clearly who the author of our problems was and why – the spiritual enemy of the Kingdom. These challenges the Lord allowed us to endure, so that we would grow as believers and as a Christian Ministry. The attacks and challenges were inevitable, because the Kingson Royals is a truly unique and powerful Christian ministry that touches young athletes on a deep and meaningful level.

As difficult as our first year was, this year was a **miracle** – a true blessing from the Lord. We have seen boys for the first time in their lives praying openly with their teammates. We have seen boys who have not played organized baseball since t-ball, developing and growing into excellent baseball athletes. Boys, who were ready to give up on competitive baseball, have rekindled their love for the game. This year our teams prayed together, cried together, played hard and worked hard together, all in the spirit of oneness the Lord intended. Coaches and parents demonstrated support and commitment to our mission on and off the field. What a powerful witness to the world!

In the fall this year we will be expanding our ministry, offering Fall Ball teams for 7/8 (Coach Pitch); 9/10, 11/12, 13/14 year old age brackets. We have coaches already committed to the spring season for 9U, 10U, 11U, 12U, 13U & 15/16 age brackets. AA County has initiated an effort to find a few “permanent” fields for our organization and we have been approached by two existing baseball leagues to consider some form of an affiliation. People of God, we have truly been blessed by the Lord and we should give him thanks! He has provided for our needs and has responded to our commitment to a “faith-based” program.

To carry-on this growth and keep-up with the blessings the Lord is providing, **WE NEED YOUR HELP**. In addition to the duties of coaching, the Ministry is effectively being run by only three people right now. We are in desperate need of faithful God fearing volunteers to get actively involved in the Ministry. The following positions still need to be filled: Secretary; Assistant Secretary; Commissioner of Baseball; 8U Division Manager; 14U Division Manager; Director of Christian Programs; Director of Fund-raising; Director of Field and Facilities Maintenance; and Director of Team Uniform and Sports Equipment Management. Please pray about your additional involvement in KRYAM. ***If you believe God is leading you in any of these posts, please email me @ gbierc@cablespeed.com or call me at 410-255-3101.***

May God bless you all for your continued prayers and support!

Sincerely in Christ,

GARY
