11. During Games, all parents must stay behind the sideline rope barrier and shall not go onto the sidelines or playing field at any time. The only exceptions to this rule are the coaches and team staff, volunteer members assigned to the chain gang or media group or KPFA Board Members. During practices Coaches shall indicate rules for allowing parents onto the sidelines or field.
12. If a parent is working the chains during the game, the parent may not verbally dispute official's rulings or disrupt the game in any way. You may not talk to the other team's members or the KSL officials unless spoken to. Please realize you are acting as a representative of KPFA and behave in a professional manner at all times.
