

PGE Park Ticket Sales Lacamas Little League Fundraiser

Each player is required to sell a minimum of 5 reserved seating tickets good for any home game. Please note that we are selling tickets for \$10.00 each (they are imprinted with \$12.50 because that is what they sell for at the gate). Contest awards are outlined below for those players and teams who sell the most tickets. All money will be collected for tickets on or before May 14th with winners announced on May 15th. Checks should be made out to LLL. Lacamas Little League Day at PGE Park will be Sunday, June 20th. All teams get to participate in the pre-game parade AND all teams get to run the bases after the game!
