

L/A OSC Fin Decorating Contest

As the year progresses fins are inevitably lost, borrowed or never returned. The easiest method to keep track of your fins while you are on pool deck is to put your name on it and some bright fancy decorations.

L/A OSC coaches will be running a fin decorating contest. This will allow swimmers easily identify their own fins as well, show how creative they are.

Some of the best ways to decorate are nail polish, tire glue, paints (spray paint usually works best) or any other non-washable/non-fading products.

Your fins should have your name as well as anything else you want. REMEMBER YOU ARE ON THE LANGLEY/ABBOTSFORD OLYMPIANS.....

Fins will be judged by the coaches in Regional group, Olympic Way, Junior Olympians and Mini Olympians during the week of October 26, 2009, during the dryland/stretching session.

If you have any questions please contact your coach!
