

BEYOND THE SCOREBOARD  
SPORTSMANSHIP INCENTIVE PROGRAM  
YOUTH FLOOR HOCKEY LEAGUE

VS

Michigan State Ice Hockey  
Friday February 26<sup>th</sup>

How it works – At the conclusion of each game, coaches will nominate one player from their team who displayed acts of sportsmanship, not just ability or skill. Staff and game officials also have the ability to nominate players who they see as going “beyond the scoreboard” in their attitude.

All of the nominated players’ names will go into a lottery drawing for the final 10 players (1 boy and 1 girl from each age division) who will represent Lansing Parks & Recreation at the MSU game. There is no limit to the number of times a child can be nominated by our staff.
