

Little Fellows League of Colonia
Sponsor Application Form

Dear Current/Potential Sponsor:

The planning is underway for another successful Colonia Baseball League (LFLC) season. We are beginning our sponsorship drive for the 2010 season. Since LFLC receives no funding from the Township of Woodbridge, we depend on sponsorships and sign advertisements to fund our league and offset higher registration fees.

Last year, our program fielded 34 teams, we provided new equipment, uniforms, and training for our children and coaches. This year the league will have new batting cages and new items in the snack bar. We are seeking new field signs and team sponsors. LFLC has quality fence location space for your company sign. I have enclosed a price sheet for your review. Field sign sponsors are a great way to advertise your business.

Signs remain on display all year. If you have any questions suggestions or past experience, please let me know. I will return your call or respond to your e-mail as soon as possible. You have the sincere thanks of our entire organization, and of the children we all serve. If you have any questions please call me at 908-229-8957.

Very truly yours,

David Ruiz
Director Of Marketing
