

Magic 'N Motion Referral Program

The Magic N' Motion referral program is open to any registered student in the previous season. Magic N' Motion has built its reputation and expanded primarily based on your positive feedback. We want to take this opportunity to thank you for your efforts and want to encourage further growth in our studio by providing a monetary thank you!!! We will offer a \$10 credit towards your costume for each new family that joins our school from your word of mouth.

How it works:

1. Simply fill in your name on the attached card and ask the referred student to submit with their registration.
 2. A \$10 credit will be issued to you to use towards your costume expenses.
- We will offer up to a \$30 discount for three new families. (please make copies if required)
 - The referral is only valid for students who have never registered with Magic N' Motion.
 - *Referral cards must accompany new student's registration form in order to receive credit.

Thanks so much for being apart of the Magic N' Motion Family.
