Fall Edition

October 2009

President's Greeting:

Hello: The 2009 summer season is almost complete, and our club facilities will be packed up for another year. We completed most of the planned activities and socials and have just rounded out a very successful Club Year-End Championships. This year, more members signed up and played in all events, than we have had in some time. The year has also brought some challenges, with 510 members and continued popularity in house league and round robin programs, and the many members that simply wanted to play in the evenings. There have been a few changes in the Executive, *italics at right*, for 2010 and all are available to assist club members as needed. We have a few openings (Webmaster, general help) and would welcome expressions of interest in volunteering. Have a good winter, and I look forward to seeing you again in the spring. Regards, Jim

Issues your executive is currently addressing:

1. The Clubhouse (shown at right) has suffered significant deterioration in the foundation and will need extensive repair or full replacement soon. Ideas for how to proceed would be appreciated.
2. Funding for 1. is also a concern and suggestions in this area are welcome.
3. House leagues organization is in review to improve format.
4. Executive committee makeup is in review.

Markham Tennis Club Executive:

President	Jim Fehr	905-294-4272

CLOSING DAY & RELATED ITEMS

Closing day (when we take down Nets and wind blinds) will take place Saturday, **October 17 (Rain Date is Oct 18)**. Water in the clubhouse is expected to be shut off in the following week.

We will place 2 winter nets to allow play during warmer periods, until we must disable the combo locks due to weather. (Maybe mid November)
