

Mars Youth Football/Cheerleading Mission Statement

The sole purpose for which MARS operates is to provide organized athletic instructional opportunities for the youth of our community. This is to be accomplished by providing the youth of our community the ideals of good sportsmanship, competitiveness, honesty, loyalty and the basic fundamentals of the sport.

Participation in the MARS football/cheer program is open to all boys and girls, ages 7 thru 12, residing in Adams Township, Middlesex Township and the boroughs of Mars and Valencia.

Our belief is in the development of our children to their fullest potential both on and off the field, while promoting school spirit and community pride.
