An MYAA Travel Baseball Organization

The Medford Renegades is a Travel Baseball Program formed by M.Y.A.A to offer township residents competitive baseball as a valuable alternative to local in-house and regional AAU level baseball. We offer the dedicated youth baseball player a unique opportunity to experience competitive baseball at a level beyond our traditional recreation and travel programs.

We thank you for your interest in sponsoring a 2012 Renegades team. Your kind donation will go towards helping our players with the ever increasing costs associated with training, equipment, uniforms, and tournament fees. There are several levels of sponsorships available; please help out in any way you can!
