The Miccosukee Little League is seeking financial assistance from our local community businesses in an effort to create a winning tradition within the Miccosukee Little League. The Miccosukee Little League is committed to providing a positive experience for the youth in our community through interactions in Little League Baseball and Softball.

The Miccosukee Little League is based upon volunteers that are interested in providing this positive and healthy program for our youth. From the coaches, team mom's and umpires to the adults that run the concession stands and makes the league a safe place to play; we rely on these volunteers to make our Little League program a success.

The Miccosukee Little League is committed to including EVERY child that wants to play, regardless of their ability to pay their expenses. This commitment of including every child, along with our desire to continue to grow within our league, leads to our request.
