Recreation Center

A Non-Profit Organization

Corporate Sponsorship Program

The Mountain View Recreation Center is a non-profit organization that uses 100% of all sponsorship money for the children involved in the sports listed below. It is our goal to provide a healthy environment for children to learn the value of good sportsmanship while participating in the many sports that we offer. As a sponsor you are enabling this dream for all of the many boys and girls that live in the Mountain View, Hildebran, Hickory, and Newton area.

Mountain View Recreation Center is not city-owned or county-owned. It is a sports facility for children operated and maintained by dedicated volunteers right here in Mountain View. The Mountain View Recreation Center is run by a Board that is elected each year for a three-year term. No board member receives any compensation of any type!
