

Norco High School Stadium Use – Football/Soccer

Norco High School Stadium has an approximate seating capacity of 5,200. The stadium is a state of the art synthetic (Field Turf).

The field and track have the following restrictions.

- No sunflower seeds
- No chewing gum
- No coffee
- No sports drinks
- No colored/flavored drinks
- No food
- No EZ-UP's/Shade Covers
- No high-heeled shoes
- No pets

This section is extremely important! Please review!

It is very important that the players, coaches, and water are the only things that are on the field.

The following are the only cleats permitted on the field

- Molded

Press Box

- The press box has seating for both home and away coaches. Filming areas are located adjacent to the press box. For use of the filming area on top of the press box, please ask for custodial assistance.
- The PA System and Scoreboard will be set up and made available for Norco JAAF. Please ask for custodial assistance with anything concerning the sound system or scoreboard.

Track Surface

- The track surface is a state-of-the-art all weather surface. Players wearing football/soccer cleats will be required to cross the track on the rubber runway that will be located on the on the track.

Cheerleaders

- If cheerleaders use boxes, they will be required to place them on top of approved rubber runway.

Tables

- All tables must be placed on the approved High rubber runway. Please ask for custodial assistance with respect to the use of tables.

Norco HS is a tobacco free campus. ← IMPORTANT!!!

It is imperative that all rules are followed. If you have questions regarding use of the field, please contact a Norco JAAF board member.
